### Northern Excursion 2011

#### Coach Company Supplies:
- Tents and mattresses. They also supply tables and chairs.

#### Students Supply:
- Sleeping bag, (or Doona) pillow, sports bag, (or small suitcase) day pack and tarpaulin (small plastic sheet—to cover sleeping bag and/or use as a ground sheet when sleeping under the stars.)
- Students also supply their own eating utensils. Paper plates are not allowed on this excursion. Plastic or metal cups and plates are ideal.

#### Clothing:
- As the days should be warm to hot and the nights cool to mild, select your clothing accordingly. Dress is very casual in all areas. Jeans, (only 1 pair is needed) T-shirts and shorts etc are all that is needed. Enclosed shoes will be needed around the camp site and for the walking tours. Thongs will be needed for days on the water and for showering in.

#### No Offensive Clothing:
- Some shirts and caps can have offensive words or pictures on them. Please leave these at home. Staff reserve the right to confiscate such clothing and return them to the parents on arriving home.

#### Check List Of What To Pack:
- This is a list of suggested items that should be packed: Please label all clothing clearly.

#### Take Half:
- When packing for a trip such as this, a good “rule of thumb” is to place everything you think you will need, out on the bed and then only pack half the number of each item. You do not need to take too many clothes as there are washing machines at various camping grounds.

**PLEASE**, **DO NOT** bring a large suitcase (maximum length 65cm) A sports style bag is much preferred as it is easier to pack under the coach and it takes up less room in the tent.

**IF YOUR BAG IS TOO LARGE THE DRIVERS WILL ASK YOU TO TAKE YOUR BAG HOME AND RE-PACK INTO A SMALLER ONE**
